(a) Members. The ARB shall initially consist of three (3) or more Persons designated by Declarant. Upon the termination of Class B membership in accordance with Article IV, Section 2, or at such earlier date as Declarant may decide, the Declarant shall assign to the Association the rights, powers, duties and obligations of the ARB. Upon this assignment, the Board of Directors shall appoint three (3) or more persons as the members of the ARB and will determine who will serve as the chairman of the ARB.

(b) Permanent Committee. The ARB shall be a permanent committee of the Association and shall administer and perform the architectural and landscape review and control functions of the Association and the Associations. No Improvements shall be constructed, erected, removed, or planted, nor shall any addition to or any change, replacement or alteration be made, unless and until the approval thereof shall be obtained in writing from the ARB.

(c) Approval of ARB Required for all Improvements. Each Owner or builder (subsequently referred to as an applicant) shall submit a preliminary application to the ARB with respect to any proposed Improvements or Improvements that he may contemplate. The preliminary application shall include such information as may be required by the application form promulgated by the ARB. Prior to the commencement of any work on such Improvements, the plans and specifications therefore, including the identity of each contractor and subcontractor which is intended to be engaged for the construction of same, shall be subject to a final review and approval by the ARB. (d) Response of the ARB. No later than thirty (30) days after receipt of all information required by the ARB for final review (unless the applicant waives this time requirement), the ARB shall respond to the applicant in writing. The ARB shall have the right to refuse to approve any plans and specifications which are not suitable or desirable, in the ARB's sole discretion, for aesthetic or any other reasons. In approving or disapproving such plans and applications, the ARB shall consider the suitability of the proposed Improvements, and the materials of which the same are to be built, the site upon which such Improvements are proposed to be erected, the harmony thereof with the surrounding area and the effect thereof on adjacent or neighboring property. In the event the ARB fails to respond within said thirty (30) day period (or such additional time as may be allowed by the applicant), the plans and specifications shall be deemed approved by the ARB.

(e) Expiration of Approval. In the event commencement of construction of a proposed Improvement does not occur within five (5) months of approval, the approval will terminate and the Improvement will be treated as if originally disapproved. Any applicant may request a formal meeting with the ARB to review the plans and specifications disapproved, the meeting to take place no later than thirty (30) days after written request for such meeting is received by the ARB (unless applicant waives this time requirement in writing). The ARB shall make a final written decision no later than thirty (30) days, the plans and specifications shall be deemed approved. Upon continued disapproval, the applicant may appeal the decision of the ARB to the Board of Directors of the Association within thirty (30) days of the ARB's written review and disapproval. Review by the Board of Directors shall make a final decision no later than thirty (30) days after such meeting. In the event the Board of Directors fails to provide such written decision within said thirty (30) days of the ARB's decision, such plans and specifications shall be deemed approved. The decision of the Board of Directors shall be final and binding upon the applicant, his heirs, legal representatives, successors and assigns; provided, however, that no Improvements shall be erected or shall be allowed to remain which violates any of the covenants, conditions or restrictions contained in this Declaration, the Declaration of Covenants or which violates any zoning or building ordinance or regulation.

(h) Liability of ARB and Declarant. Neither the Declarant, the directors or officers of the Association, the members of the ARB, nor any person acting on behalf of any of them, shall be liable for any costs or damages incurred by an Owner or permanent committee within Everwood or any other party whatsoever, due to any mistakes in judgment, negligence or

any action of the ARB in connection with the approval or disapproval of plans and specifications. Each Owner and occupant of any property within Everwood agrees, as do their successors and assigns by acquiring title thereto or an interest therein, or by assuming possession thereof, that they shall not bring any action or suit against the Declarant, the directors or officers of the Association, the members of the ARB, or their respective agents, in order to recover any damages caused by the actions of the ARB. The Association shall indemnify, defend and hold the ARB and each of its members harmless from all cost, expenses and liabilities, including attorneys' fees, of all nature resulting by virtue of the acts of the ARB or its members. Neither any person acting on behalf of any of them, shall be responsible for any defects in any plans or specifications, nor for any defects in any Improvements constructed pursuant thereto. Section 4. Utilities Easement. In addition to such easements as may be reserved on Master Plan, Declarant reserves an easement for and the right at any time in the future to grant a right-of-way and easement not more than ten (10) feet in width from any rear or side lot line and not more than five (5) feet in width from any front lot line for the purpose of drainage, underground or above ground installation, repair and maintenance of poles, street lights, lines, conduits, pipes and other equipment necessary to or useful in furnishing electric power, gas, sewer, cable and telephone service and any other utilities for or to the Lots. Such easement and right herein reserved along the front Lot line of any Lot shall be subject to the right of the Owner to locate and construct a driveway on his Lot across such easement area. This right shall be prior and superior to the front Lot line easement herein reserved and therefore, any holder of such easement shall have no right or easement to locate lines under such driveway or cause any disturbance thereto, unless such location or disturbance by the holder of such easement is a necessity. Accordingly, the holder of such easement is hereby charged with the affirmative duty to repair any damage to such driveway caused by any disturbance to at least as good a condition as existed prior to such disturbance. Sight easements, if any, as shown on the plat recorded in Plat Book 164, Page 370, Durham County Registry are hereby reserved by Declarant.

Section 5. Sanitary Sewer. No residential building structure shall be erected or allowed to remain on any Lot that is not connected to a public sanitary sewer system.

Section 7. Erosion Control. During the period of Lot grading and construction of the residential building structure and thereafter, each Owner shall exercise and maintain such erosion control measures, including the erection of silt fences, as may be required by the Declarant in order to minimize erosion and runoff. Compliance with the applicable erosion control ordinance shall not constitute automatic approval by Declarant, and Declarant reserves the right to impose requirements and standards in excess of those required by law.

ARTICLE III -- USE RESTRICTIONS

Section 1. Use of Property. No portion of the Property shall be used except for residential purposes incidental or accessory thereto. This provision shall not be construed so as to prohibit domestic or health care personnel who work and provide on-premises services to or for the Owner, members of his family, his lawful tenants or contract purchasers from being provided with a place of residence within any residence situated on a Lot.

Section 2. Clearing and Removal of Trees. In reviewing building plans, the ARB shall take into account the natural vegetation, such as trees and shrubs, located on or near a lot, and shall encourage the Owner to incorporate them in his landscaping plan. No Lot may be cleared for any reason without the prior written approval of the ARB. No trees of four (4) or more inches in diameter at two (2) feet above the natural grade shall be cut or removed without the prior written approval of the ARB. In the event an Owner fails to maintain his lot as aforesaid, the Association shall have the right, exercisable in its sole discretion, to mow, burn or clear any weeds, grass, underbrush or unsightly debris and/or growths from a Lot deemed by the Association or the ARB to be a health menace, fire hazard or a detraction from the aesthetic appearance of Everwood provided, however, that at least seven (7) days prior notice shall be given by the Association to the Owner of such Lot before such work is done by the Association. Such entry by the Association shall not be deemed a trespass. The Association may also, at the request of any Lot Owner, including the Declarant, and for any agreed charge to the Lot Owner, maintain any undeveloped Lot, so as to prevent such undeveloped Lots from becoming unsightly as defined hereinabove. In the event the Association, after such notice or request, caused the subject work to be done, then, in that even, the cost of such work, together with interest thereon at the maximum rate permitted by the civil usury laws of the State of North Carolina shall be charged to the Owners and shall become a lien on the subject Lot, which lien shall be effective, have priority and be enforceable pursuant to the procedures set forth in Article 6 of this Declaration.

All outdoor lighting shall be designed, installed, and maintained so that the source of the light (the bulb) cannot be seen off premises.

In the event of any conflict between any provision of such governmental code, regulation or restriction and any provision of this Declaration, the more restrictive provision shall apply.

ARTICLE IV -- MEMBERSHIP AND VOTING RIGHTS

Section 1. Membership. Every Owner of a Lot which is subject to assessment by the Association shall be a Member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment.

Section 2. Voting Rights. There shall be two classes of Lots with respect to voting rights:

(a) Class A Lots. Class A Lots shall be all Lots except Class B Lots as the same are hereinafter defined. Ownership of a Class A Lot shall entitle the Owner(s) of said Lot to one (1) vote. When more than one person owns an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to their

Lot shall be exercised as they, among themselves, determine; but fractional voting shall not be allowed, and in no event shall more than one vote be cast with respect to any Class A Lot.

(b) Class B Lots. Class B Lots shall be all Lots owned by Declarant and by any builder(s) who or which acquired such Lot(s) from the Declarant for the purpose of constructing a residence thereon and which have not been converted to Class A Lots as provided in subparagraphs (1), (2) or (3) below. The Association shall have the right to suspend the voting rights of the Class B Member with respect to any Lot for any period during which any assessment against his Lot remains unpaid. Such suspension shall not affect the voting rights of the Class B Member with respect to any Lots as to which assessments are current or the voting rights with respect to prospective Lots (as to which no assessments are due).

ARTICLE V -- PROPERTY RIGHTS

Section 1. Owners' Easements of Enjoyment and Access. Except as limited by Section 2 of this Article V and by the Rules and Regulations adopted by the Members and/or the Board of Directors of the Association, every Owner shall have a right and easement of enjoyment in, use of and access to, from and over the Common Area, which right and easement shall be appurtenant to and shall pass with title to every Lot, subject to:

(a) the right of the Association to charge reasonable admission and other fees for the use of any facilities hereafter situated or constructed on the Common Area and to limit the use of such facilities to Owners who occupy a residence on the Property and to their families, tenants and guests, as provided in Section 2 of this Article V.

(b) the right of the Association to suspend the voting rights of an Owner for any period during which any assessment against his Lot remains unpaid, or for a period not to exceed sixty (60) days for any infraction of the published rules and regulations of the Association.

(c) the right of the Association to dedicate, sell or transfer all or any part of the Common Area to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed upon by the Members. No such dedication or transfer shall be effective unless the Members entitled to at least three-fourths (3/4) of the votes appurtenant to each Class of Lots agree to such dedication, sale or transfer and signify their agreement by a signed and recorded document, provided that this subsection shall not preclude the Board of Directors of the Association, without the consent of the Members, from granting easements upon, over, under and across the Common Area for the purpose of installing and maintaining sewage, utility (including CATV) and/or drainage facilities, when, in the opinion of the Board, such easements are necessary for the convenient use and enjoyment of the Property. Subject to the provisions of subparagraph (e) below, the Common Area shall be preserved to the perpetual benefit of the Owners or of the public in general and shall not be conveyed except to the City of Durham or to another non-profit corporation organized for similar purposes.

(d) the right of the Association, with the assent of Members entitled to at least two-thirds (2/3) of the votes appurtenant to each Class of Lots; to mortgage, pledge, deed in trust or otherwise hypothecate any or all of its real or personal property as security for money borrowed or debts incurred, provided that the rights of any such lender or mortgagee shall be subordinate to the property rights of the Owners as set forth herein.

(e) the right of the Association, with the consent of the City of Durham, and, if required, of the Federal Housing Administration and/or Veterans Administration, to exchange all or part of the Common Area for other property and consideration of like value and utility, which exchange may be approved by the Board of Directors without the consent of the Members.

Section 2. Delegation of Use.

(a) Family. The right and easement of enjoyment and access granted to every Owner by Section 1 of this Article may be exercised by members of the Owner's family who occupy the residence of the Owner within the Property as their principal residence in Durham County, North Carolina.

(b) Tenants. The right and easement of enjoyment and access granted to every Owner by Section 1 of this Article may be delegated by such Owner to his tenants or contract purchasers who occupy a residence within the Property, or a portion of said residence, as their principal residence in Durham County, North Carolina.

(c) Guests. The right and easement of enjoyment and access granted to every Owner by Section 1 of this Article may be delegated to guests of such Owners, tenants or contract purchasers, subject to such rules and regulations as may be established by the Board of Directors.

Section 3. Conveyance of Title To The Association. Declarant covenants, for itself, its successors and assigns, that it will convey title to the Common Area to the Association prior to the conveyance of the first Lot within such phase or section to an Owner. Declarant reserves an easement over and across the Common Area so long as it owns any Lots within the Property

for the purpose of constructing such improvements on the Common Area as it deems necessary or advisable. Except as otherwise stated herein, all conveyances by Declarant to the Association shall be free and clear of all encumbrances and liens, except utility and drainage easements of record or shown on the recorded plats of the Subdivision. Any improvements placed on the Common Area by Declarant shall become the property of the Association upon completion of such improvements.

Section 4. Regulation and Maintenance of Common Area Easements. Declarant will, prior to the conveyance of the first Lot to an Owner, reserve on a recorded plat or grant to the Association an easement over and across that portion of any Lot on which a Common Area easement lies. It is the intent of the Declarant that, unless otherwise approved by the Declarant or the Association as provided in Article VII of this Declaration, the easement area shall be maintained in the same state as when the Lot upon which such easement lies was conveyed to the Owner.

(a) Rights and Responsibilities of the Lot Owners. Each Owner of a Lot upon which a Common Area easement lies shall pay all property taxes and other assessments levied against his Lot, including that portion of such tax or easements as is attributable to a Common Area easement. Notwithstanding any other provision of this Declaration, no Owner or other person shall, without the prior written consent of the Association: (1) remove any trees or vegetation within the Common Area; (2) erect gates, fences, or other structures on the Common Area; (3) place any garbage receptacles on or in the Common Area; (4) fill or excavate the Common Area or any part thereof; or (5) plant vegetation or otherwise restrict or interfere with the use, maintenance, and preservation of the Common Area.

(b) Rights and Responsibilities of the Association. The Association shall have the right and obligation to ensure that the Common Area is preserved to the perpetual benefit of the Owners within the Subdivision and, to that end, shall: (i) maintain the Common Area in its natural or improved state, as appropriate, and keep it free of impediments to its free use by the Owners within the Subdivision; (ii) upon an affirmative vote of the Board of Directors, procure and maintain adequate liability insurance covering the Association and its Members against any loss or damage suffered by any person, including the Owner of the Lot upon which a Common Area easement lies, resulting from use of the Common Area; and (iii) pay all property taxes and other assessments levied against all Common Area owned in fee by the Association.

ARTICLE VI -- COVENANT FOR MAINTENANCE ASSESSMENT

Section 1. Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot that it owns within the Property, hereby covenants, and each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association annual assessments which are unpaid when due, together interest and late charges set forth in Section 8 of this Article V and all costs of collection, including reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which such assessment is made. Each such assessment or

charge, together with interest and costs of collection, including reasonable attorney's fees, shall also be the personal or corporate obligation of the person(s), firm(s) or corporation(s) owning such Lot at the time when the assessment fell due, but such personal obligation shall not be imposed upon such Owner's successors in title unless expressly assumed by them. No diminution or abatement of assessment or set-off shall be claimed or allowed by reason of any alleged failure of the Association or the Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance or with any order or directive of any municipal or other governmental authority. Although unpaid assessments and charges are not the personal obligation of such Owner's successors in title unless expressly assumed by them, the unpaid assessments and charges shall continue to be a lien upon the Lot against which the assessment or charge was made.

Section 2. Purposes of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Property and, in particular, for : (i) acquisition, improvement, and maintenance of properties, services and facilities related to the use and enjoyment of the Common Area; (ii) repair and reconstruction of improvements on the Common Area, including storm water infiltration devices and other storm water drainage facilities constructed on or serving the Property, including but not limited to, the cost of repair, replacement and additions thereto and the cost of labor, equipment, materials, management and supervision thereof; (iii) payment of taxes and public assessments levied against the Common Area owned by the Association in fee; (iv) procurement and maintenance of insurance in accordance with the Section 4(b) of this Article IV and Section 9 of Article IX of this Declaration; (v) employment of attorneys, accountants and other persons or firms to represent the Association when necessary; (vi) payment of principal and interest on funds borrowed for Association purposes; and (vii) such other needs as may arise.

Section 3. Computation of Assessment. It shall be the duty of the Board of Directors of the Association, at least thirty (30) days prior to the meeting at which the budget shall be presented to the Members, to prepare a budget covering the estimated costs of operating the Association during the coming year, including projected costs for all of the matters set forth in Section 2 above. The budget and assessments shall become effective unless disapproved at the meeting by a vote of the Members representing at least a majority of the votes of each class of Members.

(a) Initial Assessment. Assessments per Lot for the initial year of operation of the Association shall not exceed One Hundred Dollars (\$100.00) per year, payable in advance on July 1 of each year. Thereafter, for the lesser of two (2) years or the period during which the Class B membership exists, assessments per Lot shall not increase by more than ten (10%) per cent per year over the previous year's assessments. During the period when assessments are subject to the maximums provided herein, Declarant shall pay actual costs of operation of the Association in excess of the assessments provided for herein.

(b) Subsequent Assessments. The Board of Directors may fix the annual assessment at any amount not in excess of the maximum (including zero).

(c) Assessments for Class B Lots. A Class B Lot (i.e., a Lot owned by the Declarant or a builder who purchased such Lot from the Declarant) shall be assessed at the Class B rate until a dwelling constructed thereon is occupied as a residence pursuant to a certificate of occupancy issued by the appropriate governmental agency; thereafter it shall be assessed at the Class A rate. Such Lot shall remain a Class B Lot for all other purposes as long as it is owned by the Declarant or such builder. It is the intent of the foregoing that a Lot containing a dwelling owned by the Declarant or a builder and used as a model or sales center, and not as a residence, shall be assessed at the Class B rate, but that such Lot shall be assessed at the Class A rate even though owned by the Declarant or a builder if it is occupied as a residence.

(d) Change of Lot Status. In the event that Class B Lots are converted to Class A Lots, or Class A Lots are reconverted to a Class B Lots, the assessment with respect to such Lots shall be prorated and charged according to their class as of the date of each conversion and reconversion.

(e) Continuation of Assessment. Any annual assessment established by the Board of Directors shall continue thereafter from year to year as the annual assessment until changed by the Board.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, special assessments for the purpose of defraying, in whole or in part, the cost of any construction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, for repayment of indebtedness and interest thereon, or for any other purpose, provided that any such assessment shall have the assent of the Class B Member and not less than two-thirds (2/3) of the votes cast by the Class A Members, in person or by proxy, at a meeting duly called for this purpose, and shall be in the ratios provided in Section 3(c) of this Article.

Section 5. Assessment Rate: Collection Period. Annual and special assessments shall be fixed at a uniform rate for all Lots within each Class and may be collected on a yearly, quarterly or monthly basis, as determined by the Board of Directors.

Section 6. Notice of Quorum for any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article VII shall be sent to all members not less than fifteen (15) days nor more than thirty (30) days prior to the meeting. At such meeting, the presence of members or of proxies entitled to cast fifty percent (50%) of the votes appurtenant to each Class of Lots shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and if the same is called for a date not later than sixty (60) days after the date of the first meeting, the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting.

Section 7. Date of Commencement of Annual Assessments; Amount of Initial and Subsequent Annual Assessments; Certificate of Payment. Unless a different commencement date is set by the Board of Directors, the annual assessments provided for herein shall commence

as to all Lots in any phase on the first day of the month following the recording of the plat of that phase. Unless a lower amount is set by the Board of Directors, the first annual assessment shall be due in full upon the sale of a Lot to an Owner and shall not be prorated according to the number of months remaining in the assessment year.

At least twenty-five (25) days before July 1 of each year, the Board of Directors shall fix the amount of the annual assessment against each Lot. At least fifteen (15) days before July 1 of each year, the Board of Directors shall send written notice of such assessment to every Owner subject thereto. The due dates for the payment of annual and special assessments shall be established by the Board of Directors.

The Association shall, upon demand, and for such reasonable charge as the Board of Directors may determine, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. If such certificate states that an assessment has been paid, such certificate shall be conclusive evidence of payment.

Section 8. Effect of Nonpayment of Assessments; Remedies. Any assessment not paid within ten (10) days after the due date shall incur such late charges as the Board of Directors may from time to time establish, and, if not paid within thirty (30) days after the due date, shall also bear interest from the due date at the rate of twelve percent (12%) per annum or the highest rate allowed by law, whichever is less. The Association may bring an action at law or in equity against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot for which such assessment is due. Interest, late payment charges, costs and reasonable attorney's fees of such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by abandonment of his Lot.

Section 9. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage or first deed of trust on a Lot. Sale or transfer of any Lot shall not affect any assessment lien. However, the sale or transfer of a Lot pursuant to such a foreclosure or a mortgage or deed of trust shall extinguish the lien of such assessments as to the payment thereof which became due prior to the date of such conveyance. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage or deed of trust.

Section 10. Exempt Property. All property dedicated to and accepted by a public authority and all property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. Notwithstanding the foregoing, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE VII -- RIGHTS OF LENDERS

Section 1. Books and Records. Any owner or holder of a first deed of trust on any Lot, or its agent(s), shall have the right, during normal business hours, to examine copies of this

Declaration, the Articles of Incorporation, By-laws, and the books and records of the Association and, upon written request to the Association, to receive a copy of the financial statement for the immediately preceding fiscal year.

Section 2. Notice to Lenders. Upon written request to the Association, the owner or holder of a first deed of trust on any Lot shall be entitled to timely written notice of:

- (a) Any 60-day delinquency in the payment of assessments or charges owed by the Owner of the Lot securing its loan;
- (b) A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association; and/or
- (c) Any proposed action that requires the consent of a specified percentage or owners or holders of first mortgages on the Lots.

Section 3. Approval of Owners and Holders of First Deeds of Trust. Unless at least seventy-five percent (75%) of the Owners and holders of the first deeds of trust on Lots located within the Property have given their prior written approval, the Association shall not:

- (a) By act or omission seek to abandon, partition, sub-divide, encumber, sell or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Association. The granting of easements for utilities or other purposes shall not be deemed a transfer within the meaning of this clause. Notwithstanding anything herein to the contrary, the property owned by the Association, whether in fee, by easement, or otherwise, shall be preserved to the perpetual benefit of the Owners or of the public in general and shall not be conveyed except to the City of Durham or to another non-profit corporation for the aforementioned purposes. Nothing herein shall be deemed to prohibit the Association, with the consent or the City of Durham, from exchanging Common Area for other property as provided in Section 1(e) of Article V of this Declaration, or to require the approval of such exchange by the holders of first deeds of trust on the Lots.
- (b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot;
- (c) Fail to maintain hazard insurance on insurable improvements of the Common Area on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value; or
- (d) Use the proceeds of any hazard insurance policy covering losses to any part of the Common Area for other than the repair, replacement, or reconstruction of the damaged improvements.

Section 4. Payment of Taxes and Insurance Premiums. The owners or holders of first deeds of trust on Lots, jointly or singly, may pay taxes or other charges which are in default and which have or may become a charge or lien against any of the Common Area and may pay

overdue premiums on hazard insurance policies or secure new hazard insurance coverage upon the lapse of a policy covering property owned by the Association. The persons, firms or corporations making such payments shall be owed immediate reimbursement therefor by the Association.

ARTICLE VIII -- EASEMENTS

Section 1. Access and Utility Easements. Easements for the installation and maintenance of driveways, walkways, water, gas, telephone, cable television and electric power transmission lines, sanitary sewer and storm water drainage facilities, and other public utility installations are reserved as shown on the recorded plats of the Property. The Association may reserve or grant easements over the Common Area as provided in Article V, Section 1, of this Declaration. Within any such easement herein provided, no structures, planting or other material shall be placed or permitted to remain which may interfere with the installation or maintenance of the utilities installed thereon, or which may change the direction of flow or drainage of water through drainage pipes or channels constructed in such easements.

For a period of twenty-five (25) years from the date hereof, Declarant reserves an easement and right of ingress, egress and regress on, over and under the Property to maintain and correct drainage or surface water runoff in order to maintain reasonable standards of health, safety and appearance. Such right, expressly includes the right to cut any trees, bushes or shrubbery, make any gradings of the soil or take any other similar action that it deems reasonably necessary or appropriate. After such action has been completed, Declarant shall grade and seed the affected property and otherwise restore the affected property to its original condition to the extent practicable, but shall not be required to replace any trees, bushes or shrubbery necessarily removed. Declarant shall give reasonable notice of its intent to take such action to all affected Owners.

Section 2. Easements for Governmental Access. An easement is hereby established over the Common Area and every Lot within the Property for the benefit of applicable governmental agencies for: installing, removing and reading water meters; maintaining and replacing water, sewer and drainage facilities; and acting for other purposes consistent with public safety and welfare, including, without limitation, law enforcement, fire protection, garbage collection and the delivery of mail.

Section 3. Easement and Right of Entry for Repair Maintenance and Reconstruction. If any dwelling is located closer than five (5) feet from its lot line, the Owner thereof shall have a perpetual access easement over the adjoining Lot to the extent reasonably necessary to perform repair, maintenance or reconstruction of such dwelling. Such work shall be done expeditiously and, upon completion of the work, the Owner shall restore the adjoining Lot to as nearly the same condition as that which prevailed prior to the commencement of the work as is reasonably practicable.

ARTICLE IX -- GENERAL PROVISIONS

Section 1. Enforcement. The Association or any Owner shall have the right to enforce, by proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provision, which shall remain in full force and effect.

Section 3. Term; Amendment. The covenants and restrictions of this Declaration shall run and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless terminated or altered by a vote of the Owners as set forth below. This Declaration may be amended during the first twenty-five year period by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots, and thereafter by an instrument signed by the Owners of not less than fifty percent (50%) of the Lots. No amendment shall be effective unless it has been approved, if required by Section 4 of this Article VII, by the Federal Housing Administration or Veterans Administration, and is recorded in the office of the Register of Deeds of Durham County.

Section 4. FHA/VA Approval. In the event that Declarant has arranged for and provided purchasers of Lots with FHA-insured or VA-guaranteed mortgage loans, then, as long as any Class B Lot exists, as provided in Article II hereof, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration: annexation of additional property, mortgaging of Common Area, dedication or otherwise deeding of Common Area to persons other than the Association, and amendment of this Declaration.

Section 5. Non-Liability of the City. The City of Durham shall not be responsible for failing to provide any emergency or regular fire, police or other public service to the Property, any Lot, or any Owner or occupant when such failure is due to the lack of access to the Property or any Lot therein due to inadequate design or construction of such access, blocking of access routes, or any other factor within the control of the Declarant, the Association, an Owner, or an occupant of any Lot.

Section 6. Subdivision of Lots. No Lot within the Subdivision may be subdivided by sale or otherwise so as to reduce the total lot area shown on the recorded plats of the Subdivision, except by and with the consent of the Declarant and, if required, by the City of Durham.

Section 7. Declarant's Right To Change Development. With the approval of the City of Durham, and subject to such terms and conditions as the City of Durham may impose, Declarant shall have the right, without consent or approval of the Owners, to create dwelling units, add Common Area, change lot types and reallocate lots within, and withdraw real property

from the Subdivision or otherwise modify the Master Plan. In the event of such modification, Declarant shall record an amendment or supplement to this Declaration showing the changes.

Section 8. Withdrawal of Property. Notwithstanding any other provision of this Declaration, in the event Declarant elects in its sole discretion not to develop a portion of the property described in Exhibit A as part of the Property, Declarant may withdraw portions of the property described in Exhibit A from this Declaration at any time before construction of Lots is commenced upon the portion to be withdrawn (the "Withdrawn Parcel"), by recording an amendment to this Declaration withdrawing the Withdrawn Parcel. Upon Withdrawal, the Withdrawn Parcel shall cease to be part of the Property and shall no longer be subject to this Declaration, provided that the Withdrawn Parcel shall continue to be subject to any easements previously dedicated to Owners or the Association.

Section 9. Insurance. The Association may procure and maintain adequate liability insurance covering the Association, in an amount deemed reasonable by the Board of Directors. The Association may also procure and maintain adequate hazard insurance on real and personal property owned by the Association and may procure and maintain officers' and directors' liability insurance. The premiums for such insurance shall be a common expense paid from the annual assessments provided in Article IV of this Declaration.

Section 10. Amendment. Prior to the sale of the first Lot, Declarant may amend this Declaration. During the period of Declarant Control after the sale of the first Lot, the Declarant may amend this Declaration so long as it still owns part of the Property and so long as the amendment has no adverse effect upon any right of any Owner; thereafter and otherwise, this thereof, of Members representing seventy-five percent (75%) of each class of Members and of the total votes of the Association, including seventy-five percent (75%) of Members other than the Declarant. However, the percentage of votes necessary to amend a specific clause shall not be less than the prescribed percentage of affirmative votes required for action to be taken under that clause. Any amendment must be recorded in the public records of Durham County, North Carolina.

No amendment may remove, revoke, or modify any right or privilege of Declarant without the written consent of Declarant or the assignee of such right or privilege.

Section 11. Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rules against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

Section 12. No Partition. Except as is permitted in the Declaration or amendments thereto, there shall be no physical partition of the Common Area or any part thereof, nor shall any person acquiring any interest in the Property or any part thereof seek any such judicial partition unless the Property shall have been removed from the provisions of this Declaration. This Article shall not be construed to prohibit the Board from acquiring and disposing of tangible personal property nor from acquiring title to real property which may or may not be subject to this Declaration.

Section 13. Contracts Executed During Declarant Control. All contracts or leases executed by or on behalf of the Association prior to extinguishment of the Declarant Control, shall contain a termination clause permitting the Association to terminate the contract or lease at any time after extinguishment of Declarant Control, without cause and without penalty, upon not less than thirty (30) days nor more than ninety (90) days written notice.

ARTICLE X -- DECLARANT'S RIGHTS

Any or all of the special rights and obligations of the Declarant may be transferred to other persons or entities, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained herein, and provided further, no such transfer shall be effective unless it is in a written instrument signed by the Declarant and duly recorded in the public records of Durham County, North Carolina.

Notwithstanding any provisions contained in the Declaration to the contrary, during the period of Declarant Control, the Declarant shall have the right to grant to public agencies, authorities or utility service providers easement necessary or desirable for service to the Property or any portion thereof.

Notwithstanding any provisions contained in the Declaration to the contrary, so long as construction and initial sale of Lots shall continue, it shall be expressly permissible for Declarant and any builder approved by Declarant to maintain and to carry on upon portions of the Common Area such facilities and activities as, in the sole opinion of Declarant, may be reasonable required, convenient or incidental to the construction or sale of such Lot, including, any builder approved by Declarant shall have an easement for access to such facilities. The right to maintain and carry on such facilities and activities shall include specifically the right to use Lots owned by the Declarant and the Common Area owned by the Association as models and sales officers.

So long as Declarant continues to have rights under this section no person or entity shall record any declaration of covenants, conditions and restrictions or similar instrument affecting any portion of the Property without Declarant's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or similar instrument being void and of no force and effect unless subsequently approved by recorded consent signed by the Declarant.

This Article may not be amended without the express written consent of the Declarant; provided, however, the rights contained in this Article shall terminate upon the earlier of (a) ten (10) years from the date of this Declaration is recorded, or (b) upon recording by Declarant of a written statement that all sales activity has ceased.

The Nominating Committee shall be appointed by the Board of Directors prior to each annual meeting of the Members, to serve from the close of such annual meeting until the close of the next annual meeting and such appointment shall be announced at each annual meeting. The Nominating Committee shall make as many nominations from election to the Board of Directors as is shall in its discretion determine, but not less than the number of vacancies that are to be filled.

Section 5. Election. After the Declarant's right to select Directors has terminated, election to the Board of Directors shall be by secret written ballot. At such election the Members; and their alternates or their proxies may cast, in respect to each vacancy, as many votes as they are entitled to exercise under the provisions of the Declaration. The persons receiving the largest number of votes shall be elected. Cumulative voting is not permitted.

Section 6. Veto. From the termination date of the period of Declarant Control, the Declarant shall have a veto power over all actions of the Board as more fully provided in this Section. This veto power shall be exercisable only by Declarant, its successors, and assigns who specifically take this power in a recorded instrument. The veto shall be as follows:

No action authorized by the Board of Directors or Modifications Committee shall become effective, nor shall any action, policy, or program be implemented until and unless:

Any veto power shall not extend to the requiring of any action or counteraction on behalf of the Board or Association.

This Section 6 may not be amended without the express, written consent of the Declarant until Declarant no longer owns any land described in Exhibit A to the Declaration or until December

31, 2006, whichever first occurs.

ARTICLE IV MEETINGS OF DIRECTORS

Section 1. Organization Meetings. The first meeting of the members of the Board of Directors following each annual meeting of the Members shall be held within thirty (30) days thereafter at such time and place as shall be fixed by the Board.

Section 2. Regular Meetings. Regular meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors, but at least four (4) such meetings shall be held during each fiscal year with at least one (1) per quarter. Notice of the time and place of the meeting shall be communicated to Directors not less than four (4) days prior to the meeting; provided, however, notice of a meeting need not be given to any Director who has signed a waiver of notice or a written consent to holding of the meeting.

Section 3. Special Meetings. Special meetings of the Board shall be held when called by written notice signed by the President, Vice President, Treasurer or Secretary of the Association, or by at least two Directors. The notice shall specify the time and place of the meeting and the nature of any special business to be considered. The notice shall be given to each Director by one of the following methods: (a) by personal delivery; (b) written notice by first class mail, postage prepaid; (c) by telephone communication, either directly to the Director or to a person at the Director's office or home who would reasonably be expected to communicate such notice promptly to the Director; or (d) by telegram, charges prepaid. All such notices shall be given at the Director's telephone number or sent not the Director's address as shown on the record of the Association. Notices sent by first class mail shall be deposited into a United States mailbox at least four (4) days before the time set for the meeting. Notices given by personal deliver, telephone, or telegraph shall be delivered, telephoned, or given to the telegraph company at least seventy-two (72) hours before the time set for the meeting.

Section 4. Waiver of Notice. The transactions of any meetings of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the Directors not present signs a written waiver of notice, a consent to holding the meeting or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 5. Quorum of Board of Directors. At all meetings of the Board, a majority of the Directors shall constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority

of the required quorum for that meeting. If any meeting of the Board cannot be held because a quorum is not present, a majority of the Directors who are present at such meeting may adjourn the meeting to a time not less than five (5) nor more than thirty (30) days from the date the original meeting was called. At the reconvened meeting at which a quorum is present, any business which might have been transacted at the meeting originally called may be transacted without further notice.

Section 6. Compensation. No Director shall receive any compensation from the Association for acting as such unless approved by Members representing a majority of the total vote of the Association at a regular or special meeting of the Association.

Section 7. Conduct of Meetings. The President shall preside over all meetings of the Board, and the Secretary shall keep a minute book of the Boards, recording therein all resolutions adopted by the Board and a record of all transactions and proceedings occurring at such meetings.

Section 8. Open Meetings. Subject to the provisions of Section 9 of this Article, all meetings of the Board shall be open to all Members, but Members other than Directors may not participate in any discussion or deliberation unless expressly so authorized by a majority of a quorum of the Board.

Section 9. Action Without A Formal Meeting. Any action to be taken at a meeting of the Directors or any action that may be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Directors, and such consent shall have the same force and effect as a unanimous vote.

ARTICLE V POWERS AND DUTIES OF THE BOARD

Section 1. Powers. The Board of Directors shall be responsible for the affairs of the Association and shall have all of the powers and duties necessary for the administration of the Association's affairs and, as provided by law, may do all acts and things as are not by the Declaration, the articles of incorporation of the Association (the "Articles") or these Bylaws directed to be done and exercised exclusively by the Members.

The Board of Directors shall delegate to one of its Members the authority to act on behalf of the Board on all matters relating to the duties of the managing agent or manager of the Project, if any, which might arise between meetings of the Board.

In addition to the duties imposed by these Bylaws or by any resolution of the Association that may be hereafter adopted, the Board shall be responsible for and shall have the power to do the following, by way of explanation, but no limitation:

(a) adopt and publish rules and regulation governing the use of the Common Area and the personal conduct of the Members and their guests thereon, and to establish penalties for the infraction thereof;

(b) suspend the voting rights of a Member during any period in which such Member shall be in default in the payment of any assessment levied by the Association. Such rights may also be suspended after notice and hearing, for a period not to exceed 60

days, for infraction of published rules and regulations;

(c) declare the office of a member of the Board to be vacant in the event such member shall be absent from three (3) consecutive regular meetings of the Board;

(d) prepare and adopt annual budgets in which there shall be established the annual assessments of each Member;

(e) make assessments to defray the common expenses of the Association (the "Common Expenses"), establish the means and methods of collecting such assessments and establish the period of the installment payments of the annual assessment; provided, that unless otherwise determined by the Board, the annual assessment for each Unit's proportionate share of the Common Expenses shall be payable in equal monthly installments, each such installment to be due and payable in advance on the first day of each month for said month;

(f) provide for the operation, care, upkeep, and maintenance of all of the Common Area, exterior and structural components of the Units and other property the Association has responsibility for;

(g) designate, hire, and dismiss the personnel necessary for the maintenance, operation, repair, and replacement of the Common Area, exterior and structural components of the Units and other property the Association has responsibility for, and where appropriate, provide for the compensation of such personnel and for the purchase of equipment, supplies, and material to be used by such personnel in the performance of their duties;

(h) collect the assessments, deposit the proceeds thereof in a depository which it shall approve and use the proceeds to administer the Association;

(i) open bank accounts on behalf of the Association and designate the signatories required;

(j) make or contract for the making of repairs, additions and improvements to or alterations of the Common Area and maintenance and repair of the Units in accordance with the provisions of the Declaration and these Bylaws after damage or destruction by fire or other casualty;

(k) enforce by legal means the provisions of the Declaration, these Bylaws and the rules and regulations adopted by it and bring any proceedings which may be instituted on behalf of or against the Members or any Unit occupants concerning the Association;

(l) obtain and carry insurance against casualties and liabilities as provided in the Declaration and pay the premium cost thereof;

(m) keep books with detailed accounts of the receipts and expenditures affecting

the Association and its administration, specifying the maintenance and repair expenses and any other expenses incurred. The books and the vouchers accrediting the entries thereupon shall be available for examination by the Members and the holders, insurers, and guarantors of a Mortgage on any Unit, or their duly authorized agents, accountants or attorneys, during general business hours on working days at the time and in a manner that shall be set and announced by the Board for the general knowledge of the Members;

(n) make available to any prospective purchaser of a Unit, any Member and the holders, insurers, and guarantors of a Mortgage on any Unit, current copies of the Declaration, the Articles, the Bylaws, rules governing the Units and the Common Areas and all the other books, records and financial statements of the Association;

(o) permit utility suppliers to use portions of the Common Area reasonably necessary to the ongoing development or operation of the Property;

(p) issue, or to cause an appropriate officer to issue, a certificate setting forth whether or not any assessment has been paid. A reasonable charge may be made by the Board for the issuance of these certificates. If a certificate states an assessment has been paid, such certificate shall be conclusive evidence of such payment; and

(q) cause to be kept a complete record of all its acts and corporate affairs and to present a statement thereof to the Members at the annual meeting of the Members, or at any special meeting when such statement is requested in writing by one-fourth (1/4) of the Class A Members who are entitled to vote.

Section 2. Management Agent.

(a) The Board of Directors may employ for the Association a professional management agent or agents at a compensation established by the Board to perform such duties and services as the Board shall authorize. The Board of Directors may delegate to the managing agent or manager, subject to the Board's supervision, all of the powers granted to the Board of Directors by these Bylaws, other than the powers set forth in subparagraphs (a), (b), (c), (d), (e), (i), and (k) of Section 1 of this Article. The Declarant, or an affiliate of the Declarant, may be employed as managing agent or manager.

(b) No management contract may have a term in excess of one (1) year and must permit termination by either party without cause and without termination fee on ninety (90) days or less written notice.

Section 3. Borrowing. The Board of Directors shall have the power to borrow money for the purpose of repair or restoration of the Common Area, the exterior and structural components of the Units and other property the Association has responsibility for without the approval of the Members of the Association; provided, however, the Board shall obtain approval of a majority of each class of Members for borrowings in the event that the proposed borrowing is for the purpose of modifying, improving, or adding amenities and the total amount of such borrowing exceeds or

would exceed five percent (5%) of the budgeted gross expenses of the Association for that fiscal year.

Section 4. Rights of the Association. With respect to the Common Areas or other Association responsibilities owed, in accordance with the Articles of Incorporation and Bylaws of the Association, the Association shall have the right to contract with any person for the performance of various duties and functions. Without limiting the foregoing, this right shall entitle the Association to enter into common management, operational or other agreements with condominiums, cooperatives or neighborhood and other homeowners or residents associations, both within and without the Property. Such agreements shall require the consent of two-thirds (2/3) of all Directors of the Association.

Section 5. Enforcement. The Board shall have the power to impose reasonable fines, which shall constitute a lien upon the property of the violating Member, and to suspend a Member's right to vote or to use the Common Areas for violation of any duty imposed under the Declaration, these Bylaws or any rules and regulations duly adopted hereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a Unit. In the event that any occupant of a Unit violates the Declaration, Bylaws or a rule or regulation and a fine is imposed, the fine shall first be assessed against the occupant; provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Member shall pay the fine upon notice from the Association. The failure of the Board to enforce any provision of the Declaration, Bylaws, or any rule or regulation shall not be deemed a waiver of the right of the Board to do so thereafter.

(a) **Notice.** Prior to imposition of any sanction hereunder, the Board or its delegate shall serve the alleged violator with written notice describing (i) the nature of the alleged violation, (ii) the proposed sanction to be imposed, (iii) a period of not less than ten (10) days within which the alleged violator may present a written request to the Board for a hearing, and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within ten (10) days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed.

(b) **Hearing.** If a hearing is requested in a timely manner, the hearing shall be held in executive session affording the Member a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the minutes of the meeting. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the officer, Director, or agent who delivered such notice. The notice requirement shall be deemed satisfied if the alleged violator appears at the meeting. The minutes of the meeting shall contain a written statement of the results of the hearing and the sanction, if any, imposed. The decision of the Board after hearing shall be final.

(c) **Additional Enforcement Rights.** Notwithstanding anything to the contrary herein contained, the Association, acting through the Board of Directors, may elect to enforce any provision of the Declaration, these Bylaws, or the rules and regulations of the

Association by self-help (specifically including, but not limited to, the towing of vehicles that are in violation of parking rules and regulations, as provided below) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity for compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Member or occupant responsible for the violation for which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred.

ARTICLE VI OFFICERS

Section 1. Officers. The officers of the Association shall be a President, Vice President, Secretary and Treasurer. The Board of Directors may elect such other officers, including one or more Assistant Secretaries and one or more Assistant Treasurers, as it shall deem desirable, such officers to have the authority and perform the duties prescribed from time to time by the Board of Directors. Any officer may resign at any time giving written notice to the Board, the President or the Secretary. Such resignation shall take effect on the date of receipt of such notice or at any later time specified therein, and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 5. Duties. The duties of the officers are as follows:
